## Vitality Hotel Punta in Lošinj to become first EuropeSpa-certified Hotel in Croatia

Wiesbaden/Lošinj, August 22, 2014 | Vitality Hotel Punta on the Croatian Island of Lošinj has been awarded with the *EuropeSpa hotel spa* certificate. It is the first provider in Croatia to obtain the Europe Spa quality certificate of the European Spas Association.

Vitality Hotel Punta is situated on an exclusive position, close to the sea, near the centuries-old port of Veli Lošinj. It offers 219 double rooms with sea or park view and 16 suites, all with sea view. The now EuropeSpa-certified Spa & Wellness areas of the hotel offer a full range of activities. Amongst them are indoor & outdoor pools, some with seawater, steam & dry saunas, fitness studios, sports programs and beauty treatments. “The EuropeSpa certification is an objective proof and confirmation of our successful work towards highest international quality”, says Robert Betić Hotel manager of Vitality Hotel Punta. Vitality Hotel Punta is part of the Lošinj Hotels & Villas belonging to the Jadranka Group, one of Croatia’s oldest tourist companies.

“We are very impressed by the beautiful location and the level of quality we found in Lošinj during our audit”, says Kurt von Storch, CEO of EuropeSpa. “We also welcome to have the first EuropeSpa-certified provider in Croatia”. The EuropeSpa certificates are the official seals of quality of the European Spas Association (ESPA). They are considered to be the most sophisticated quality assessments and allow an international comparison with their cross-boarder standards.
